

RM MONTHLY BULLETIN AUG 2022

SPECTRUM CABLE UPDATE IS COMING SOON!

- **DATES.** Starts August 8th to August 17th from 8:30 a.m. to 6:30 p.m.
- **BE PREPARED:** Your items must be 3' away from your wall where the TV is located. Please be patient as the schedule is subject to change by Spectrum.
- **GOT SCHEDULED?** Please review the Spectrum schedule day(s) for your stack. Those using the Axess 2.0 App will be notified of any changes. We will also send any changes via emails and post on every floor.
- **WIFI/INTERNET SERVICE.** While they are working on your unit, you will not have Wi-Fi or internet service for about an hour.
- **MANDATORY UPDATE.** If you miss your scheduled day, your service and your neighbors service may not work properly.

WP 4th of July Party

Residents enjoyed good company and food at the last 4th of July gathering at the pool. A big Mahalo to the WP staff for setting up and resident Joe Kiefer for supplying the BBQ food and decorations.

Welcome 2022 WP Building Committee (Non-Board) Members!

Roy Wilkins, Keeley
Cunningham, Dick Holt, and
Dave Slusher.

HOUSE RULES REVISION

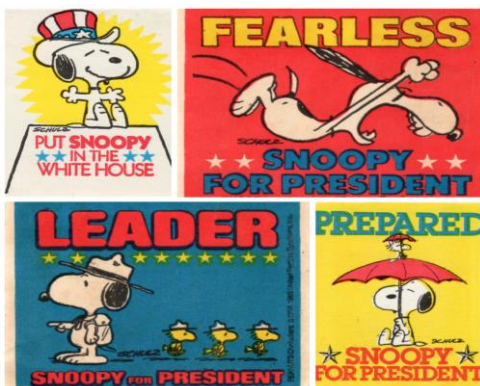

Your Board of Directors is undertaking a review and possible revisions of the Windward Passage House Rules. If you have any suggested changes, or are interested in serving on the review committee, please email the Windward Passage office at wp-office@hawaii.rr.com using "House Rules Revisions" as the subject of your email. Be sure to give your contact information if you are interested in working on the project. Please give us your response by **August 15, 2022.**

FRIENDLY REMINDERS

NEW RESIDENTS- Please make sure the WP office receives the new owner/tenant forms at least 48 hours before moving in. This includes move in requests for the freight elevator (\$100 deposit) and the \$125 Registration Fee.

AC Units- There has been an increase in calls from AC leaking into other units below. Please make sure yours is maintained by a professional AC company at least once a year.

Landscape/Maintenance Form-Got an issue? Jot it down on the WP Maintenance Request Form so we can follow up with you. Forms are available at the office, ask security or you can email us at wp-office@hawaii.rr.com and we will send a form to you.

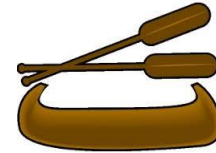

NEXT

T.E.D. Talk

When: October 11th, 2022

Time: 7 p.m.

Where: Social Room

“My Cool Summer”

Life on an Arctic Ice Island. Learn about arctic research and oceanography, presented by resident Roy Wilkins, Emeritus Research Scientist Hawaii Inst. of Geophysics and Planetology.

Do Smoke Alarms Save Lives?

The presence of a working smoke alarm in a home reduces the risk of dying in a fire by 50%. **Approximately 890 lives could be saved annually if all homes had working smoke alarms.**

***Please place close attention while cooking. If you burn your food and the smoke enters the hallway it will trigger the building's smoke alarm system. Open your lanai door to air out smoke, not your front entrance door.**
